

REMARKS

Claims 1-42 and 45-95 have been canceled. Claims 43-44 remain pending in the application. Applicants amend the specification, drawings, and claims 43-44 for minor corrections and clarification. No new matter has been added.

The Examiner objected to the drawings for missing Figs. 154 and 695-696. Applicants submit Replacement Sheets for missing Figs. 154 and 695-696. The Examiner also objected to Fig. 806 while requiring brief descriptive labels for elements illustrated therein. Applicants respectfully submit that the specification provides adequate description of the illustrations in Fig. 806.

In view of the above, Applicants respectfully request that the Examiner withdraw the objections to the drawings.

The Examiner objected to the abstract of the disclosure, the title of the invention, and a portion of the specification—page 800, lines 2-4—which Applicants amend according to the Examiner's suggestions. Accordingly, Applicants respectfully request that the Examiner withdraw the objections to the specification.

The Examiner objected to claims 43-44 for a number of apparent informalities, which Applicants correct by amendment. Accordingly, Applicants respectfully request that the Examiner withdraw the objection.

Claims 44 stands rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter of the invention.

Applicants amend claim 44 to clearly recite the features objected to by the Examiner, and respectfully request that the Examiner withdraw the § 112, ¶ 2 rejection.

In view of the remarks set forth above, this application is in condition for allowance which action is respectfully requested. However, if for any reason the Examiner should

consider this application not to be in condition for allowance, the Examiner is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.

Any fee due with this paper may be charged to Deposit Account No. 50-1290.

Respectfully submitted,
